#### A BLACK EYE.

The Senate Passes the Louisville Charter Over the Governor's Veto by an Overwhelming Majority.

A large delegation of Louisville citizens, composed of the Mayor, City Attorney, Wharf Master and other officials and about 300 members of the Board of Trade, bankers, lawyers, merchants, clerks and laboring men came to the city Wednesday morning to urge the passage of the Louisville charter over the Governor's veto. Judge Alex P. Humphrey, Mr. James P. Helm, Col. Andrew Cowan and Mr. E. L. Cronk made addresses before the Senate Committee on Municipalities, and on Thursday that committee reported in favor of the passage of the charter, the Governor's veto to the contrary notwithstanding, and the Senate, by a vote of 24 to 8 passed the charter. Two other Senators who were not present added their votes to the majority the next day, making the vote 26 to 8. The House will consider the veto next week, but it is predicted by those who have studied the matter that there will be no doubt of its passage in that body.

The Senate took the ground that the Governor in his veto message had not advanced any new point of law with which the Legislature was not already acquainted, and despite the doubtful question of the constitutionality of the system of tax on incomes and licenses in lieu of the *ad valorem* tax, the members of the House and Senate who voted for the charter originally would not be consistent, if merely upon the dictum of any one person, they refused to vote for it again and allow the courts, as the proper tribunal, to determine once and for all time a matter of such great importance to the interests of the metropolis and all other cities in the State which are likewise affected by the question at issue.

#### CAPITAL LODGE I. O. O. F.

74th Anniversary of the Founding of the Order Celebrated in Splendid Style.

The seventy-fourth anniversary of the founding of the Independent Order of Odd Fellows in the United States was generally observed Thursday night throughout the country. In this city it was the occasion of a large gathering at the Odd Fellows' Temple of the members of Capital Lodge and their families, to hear an address by D. D. G. M. Charles Johnson, of Lexington, and a program varied with music and recitations, and then to conclude the evening's enjoyment with a banquet, spread for them in the rooms adjoining.

The order of exercises observed was as follows:

Call to order by Noble Grand Jacob Ahler.  
Music by Davis' string band.  
Address by D. D. G. M. Charles Johnson, of Lexington.  
Music by brass quartette, composed of Messrs. Alex. Schneider, Henry Ahler, Fred Sutterlin and Gottlieb Kagin.

Recitation by Sister Gracie Grant, of the Daughters of Rebecca Lodge. Violin solo by Louis Harris, accompanied by Harry Stanton.  
Song by the Frankfort Liederkranz.  
Recitation by Miss Annie Morgan.

Brother W. B. Bridgeford tendered the invitation to the banquet, and at about 11 o'clock the crowd departed for their homes, delighted with the entertainment and especially pleased and edified by their distinguished guest's address, which was replete with the history of Odd Fellowship and the results of its widespread benevolence and mystic teachings.

#### Preventing Future Misery.

If there is, in this vale of tears, a more prolific source of misery than the rheumatic twinge, we have yet to hear of it. People are born with a tendency to rheumatism, just as they are with one to consumption or to scrofula. Slight causes may develop this. As soon as the agonizing complaint manifests itself, resources should be had to Hostetter's Stomach Bitters, which checks its further progress and banishes the rheumatic poison from the system. This statement tallies exactly with the testimony of physicians who have employed this fine blood purifier in their private practice. There is also the amplest professional and general testimony as to the efficacy of the Bitters for malaria, liver complaint, constipation, indigestion, kidney trouble, nervousness and loss of appetite and flesh. After a wetting, whether followed by a cold or not, the Bitters is useful as a preventive of the initial attack of rheumatism.
